Dear Sirs:

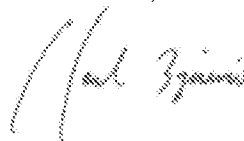

This Communication is submitted in order to document a telephone discussion with Examiner Victor X. Nguyen on Monday, July 21, 2008.

Examiner Nguyen indicated that a new non-final Office Action had been entered. Accordingly, the Examiner indicated that the application would remain pending and that a new response time period would be provided for the new non-final Office Action. Examiner Nguyen specifically indicated that the application would not be abandoned after July 22, 2008 even though no response would be filed and it was specifically pointed out to the Examiner that a final Office Action was issued on January 22, 2008. The Examiner indicated that the final Office Action of January 22, 2008 had been withdrawn and the prosecution had been reopened and there should be no concern with respect to the pendency of the application.
